

OUR LADY OF OSTRABRAMA R.C. CHURCH

The priest saying the funeral Mass for your loved one would like to make his homily as personal as he can. Please offer some biographical information, if you wish, to help the priest in this regard, especially if he did not have the opportunity to know your loved one on a personal level.

Name, date of birth, date of death: _____

1) What are some things about your loved one the priest should mention, i.e., education, occupation, hobbies, interests, etc.?

2) What are some qualities about your loved one's personality the priest might speak about? You may want to include thoughts that are heart-warming, endearing (possibly humorous) as well.

3) What was his/her faith like?
